

Petrak & Associates, Inc. provides the professional, honest and high level third-party reimbursement consultation services our clients demand. The firm is made up of three highly-qualified professionals with over 24 years of experience in the Medicare / Medi-Cal reimbursement field. This streamlined organization provides our clients with a high level of assurance that the project will be accurate, completed on time and in compliance with Federal and State regulations. It also allows us to keep our fees more competitive than other healthcare consulting firms.
